

City of Lago Vista, Texas
Director of Public Works Recruitment

“Live Like You’re on Vacation!” The City Council of Lago Vista, Texas is seeking public works managers who have broad experience in the operations of a public works department including managing a water and wastewater utility to be the next Director of Public Works. The Public Works Director oversees a department with a 2016-2017 Operating Budget of \$5,024,485 and 41 FTE’s. For a detailed profile of the position, please go to www.chcpublicsectorsolutions.com.

A bachelor’s degree from a four-year college or university in public works related studies is preferred and two (2) to three (3) years’ experience as a Director of Public Works or five (5) to six (6) years as Assistant Director of Public Works for a larger community. Total years of education and experience will be taken into consideration. Class “C” Water Operators and Class “C” Wastewater Licenses are preferred. A valid Texas Driver License is required.

The starting salary is open and will depend upon background and qualifications of the successful candidate. The city benefits package includes medical, dental, and optional vision insurance. The City makes a contribution to dependent medical care. The City participates in the Texas Municipal Retirement System (6% - 2:1). The City provides sick leave, vacation and holidays.

To apply send an electronic version of your current resume, salary history and a list of ten work-related references with phone numbers to G. Chris Hartung at jobsearch@chcpublicsectorsolutions.com. The first review of candidates will be July 10, 2017.
