

SCHOLARSHIP INFORMATION & INSTRUCTIONS

GENERAL INFORMATION

The scholarship fund was established by the American Public Works Association, Texas Chapter and was created to provide scholarships for higher education (college graduate and undergraduate) and for professional development (continuing education and training for certification or licensure). It is the goal of the Chapter to award several \$1,000 higher education and \$1,000 professional development scholarships. Scholarship awards are contingent upon funding availability.

ELIGIBILITY

To apply for a higher education scholarship from the Texas Chapter, you must:

Be enrolled as a full-time student (12+hours) in an undergraduate or (9+hours) in a graduate degree program.

OR

Be an active member* enrolled as a part-time student (3+hours) in an undergraduate or higher degree program.

OR

Be a high school student in your senior year.

* An active member of APWA is defined as a member with 12 or more months of membership prior to the date of scholarship application and attends a minimum of 4 activities per year.

ADMINISTRATION

Applications for the higher education scholarship must be received early enough to allow time for review and presentation of the award prior to the fall college semester. The scholarship committee will present the scholarship recipient the award in August after verification has been confirmed. The scholarship will be paid in one installment. Payment will be contingent upon the recipient providing proof of registration. Satisfactory completion shall be further defined as receiving, at a minimum, a passing grade in each course completed. Students falling below these minimum requirements will not receive future scholarships.

Applications for the professional development scholarship may be submitted at any time to the APWA Texas Chapter. All applications will be reviewed on a case-by-case basis by the scholarship committee. The committee will make recommendations to the Texas Chapter Board of Directors who, in turn, will approve and award the scholarships at the next regularly scheduled Board of Directors Meeting. All recipients are to submit a proof of attendance or completion of training to the APWA Texas Chapter. The Texas Chapter reserves the right to request a refund from recipient if he or she fails to attend.
